Cloud & DevOps: Azure Functions, Logic Apps, App Services, CI/CD (Azure DevOps), Docker, Kubernetes

Databases & ORMs: SQL Server, Entity Framework Core, ADO.NET, LINQ, Dapper

Architecture & APIs: Microservices, RESTful APIs, Web Services, Minimal API, RabbitMQ, ETL, CQRS, MediatR

Tools & Testing: Visual Studio, VS Code, SSMS, NUnit, XUnit, Git, Azure Repos, Postman, Swagger,

Methodologies & Practices: Agile (Scrum/Kanban), Clean Code, SOLID Principles, Design Patterns, GDPR

Work Experience

Globant - Pune India

May 2024 - Present

Senior Software Engineer

- Designed and implemented scalable enterprise applications using .NET Core and Angular.
- Developed RESTful microservices and deployed via Azure, improving API response time by 40%.
- Contributed to front-end and back-end development, ensuring seamless user experiences.
- Collaborated with EU-based clients for requirements gathering, sprint planning, and feature delivery.
- Provided L3 production support, promptly resolving issues to maintain high system availability

CitiusTech Healthcare Pvt. Ltd. - Mumbai India

Nov 2021 - Apr 2024

Technical Lead

- Led the development of CI/CD pipelines on Azure DevOps, reducing deployment time by 30%.
- Mentored 5+ junior engineers, ensuring code quality and adoption of clean coding practices.
- Designed integration systems and streamline communication between applications.
- Engineered robust middleware APIs enable real-time data processing between PGS and QMS portals.

Sankalp Computer & Systems Pvt. Ltd. - Pune India

Feb 2020 - Nov 2021

Senior Software Developer

- Designed and developed complex application features using ASP.NET MVC and RDBMS.
- Planned, designed, and debugged stored procedures and queries, improving efficiency by 20%.
- Created Web APIs, services, and SQL stored procedures for scalable solutions.
- Ensured production stability through proactive troubleshooting and performance tuning.

Plexitech Technologies Pvt. Ltd. - Mumbai India

Apr 2019 - Jan 2020

Software Developer

- Collaborated with internal teams to produce software design and architecture.
- Plan, design, schedule, write & debug database stored procedures and queries.
- Implemented RESTful APIs to improve performance and user experience across internal tools.

Projects

EY Interact Payroll System - Ernst & Young

- Developed a full-stack payroll platform using .NET Core microservices and Angular 16.
- Integrated Azure Service Bus for asynchronous messaging between microservices.
- Streamlined payroll processes, ensuring accuracy, efficiency, and compliance for EY's clients

Microsoft CentriCT to PGS Data Integration - CitiusTech Healthcare

- Built robust APIs for integrating CentriCT with internal systems using .NET Core and Azure Functions.
- Automated data syncs to reduce manual work and ensured compliance with security standards.

CitiusTech PGS and QMS Portal - CitiusTech Healthcare

- Developed Angular and ASP.NET Core applications for project and quality governance.
- Managed authentication, audit logs, and dynamic reporting features.

MyNextHire RMS Data Integration - CitiusTech Healthcare

- Delivered an end-to-end ETL solution for recruiting platforms.
- Executed data cleansing and transformation and data quality in the migration process.

Ventaforce – MLM Software Platform - Sankalp Computer & Systems

- Developed core modules for the MLM platform "Ventaforce" using ASP.NET MVC and SQL Server.
- Designed and implemented compensation plan logic, e-wallet, and business analytics features.
- Built REST APIs for front-end integration and third-party services (e.g., SMS, payment gateways).

Education

Bachelor of Engineering (BE)

Government College of Engineering, Karad - Maharashtra, India

Graduated: Aug 2016 | Final Score: 66.38%

Certifications

- Microsoft Certified: Azure Fundamentals (AZ-900), 2023
- Microsoft Certified: Azure Data Fundamentals (DP-900), 2025

Professional Strengths & Soft Skills

- Strong analytical and problem-solving mindset with agile team player.
- Effective communicator across cross-cultural and remote teams.
- Experienced in mentoring junior developers and fostering team growth.
- Client-focused with proven ability to translate business needs into technical solutions.

Hobbies & Interests

Team sports | Hiking & Trekking | Photography | Culture & language exchange | Swimming

Relocation & Visa Status

Willing to relocate within the EU. Actively seeking visa sponsorship or open to self-sponsoring the visa and initiating the relocation process promptly upon receiving an offer.
